Ass't. Program Director  
Radio Station WYBC  
New Haven, Conn.

Dear Howie,

I have just finished your transcription. It will be of approximately 16 minutes duration. I apologize for the extra length. However, the engineer did not observe the time closely. I hope this will not inconvenience you.

George Sella, Don Cohn, and Holly Donan are the players appearing on the interview.

Also, I must apologize for sending the recording via tape. Since I could not arrange the interview for anytime but tonight, there was no time left in which to switch to the disc.

Let me express my sincere hope that this arrangement will really be the beginning of bigger things to come. It's about time the Ivy Network became a working reality and not just a phrase. Also, my thanks to you and your sports director.

I'll be awaiting your transcription. I'll use it Thursday night on my "Tiger Sports Parade". Incidentally, we would appreciate the return of the tape recording.

Until Saturday then-----

Sincerely yours,

*Bill Linden*
